

Welcome Back!

From Dr. Landry, *Provost/VP Academic Affairs*
and Dr. Freeman, *VP Student Affairs*

We want to welcome our returning students back to campus and send a special welcome and congratulations to the new students who chose Northeastern State University. We hope you had a great summer and are excited for classes to begin even though the last six months have been unlike any other. We seek to be a partner in your personal and academic journey while at NSU.

That is why we want to encourage you to take full advantage of the academic and support services offered to help make your time at NSU more meaningful and enriching. Our goal is to help you graduate and prepare you for a successful future.

NSU's campus activities, events, organizations and overall culture provides you endless chances to meet new people and engage in new opportunities. This is a great way to make connections with other students, faculty and staff. Campus and civic engagement also plays a part in your success in school and as you grow in your career and community. We hope your experience at NSU is filled with great memories and intellectual growth, and enhances your skills for the workplace and for the communities you will serve.

Please do not hesitate to ask anyone from NSU about how we can help you in your journey.

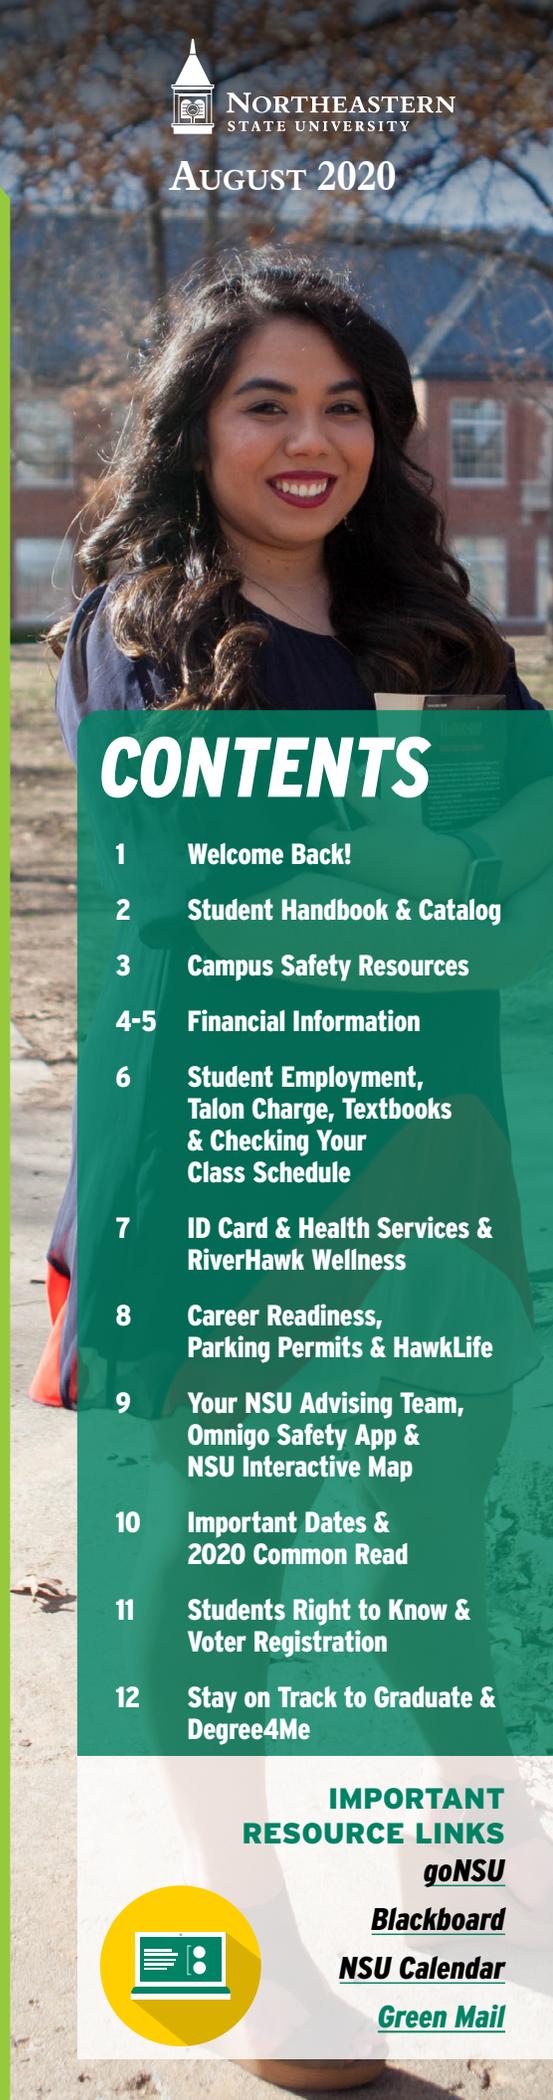

Have an outstanding Fall 2020 semester!

Student Handbook

The student handbook has information about academics, school policies, tuition and fee payments, fitness and sports facilities, parking, housing, involvement and more! The interactive [student handbook](#) can be accessed online.

Catalog

The Undergraduate Catalog is published for informational purposes and should not be construed as a contract between a student and Northeastern State University, but rather as a guide for the convenience of students planning their program of study. Every effort is made to ensure that the information is accurate and current at the time this catalog is printed. Courses and degree programs listed in this catalog are intended as a general indication of Northeastern State University curriculum and are subject to modification at any time. The University reserves the right to discontinue, modify or otherwise change its degree programs; to change the fees, rules and calendar for admission, registration, instruction and graduation; and to change other policies and regulations without notice or obligation. Current law, Regent's policies and University policies supersede any information printed in this catalog.

The Undergraduate Catalog includes:

- University calendar
- Admission information
- Fees, expenses and financial aid
- Academic information
- Bachelor's degree requirements
- General education requirements
- Specific degree and program requirements
- Colleges and departments
- Programs listed by college and department, alphabetically and by degree type
- Courses
- Student life
- Personnel
- Campus facilities
- Graduate college
- College of Optometry

The [Undergraduate Catalog](#) can be accessed online.

WHERE TO GET HELP (PROFESSORS), DIRECTORY OF DEPARTMENTS

To meet with your professors, you'll need to check your class syllabus for the best ways to reach them. You can also search our University Directory.

ADVISING (PROGRESS TOWARDS DEGREE) HOW TO DECLARE:

The process to a degree can be difficult, but with the help of your advisor it can be easier.

Advisors help you:

- Know your degree requirements
- Plan your schedule
- Set up testing
- Connect you with faculty and other campus resources
- Stay on track for graduation
- Understand academic policies

As an incoming freshman, you have the opportunity to declare your major after the mid-term of your first semester. It is suggested that students declare a major before earning 45 credit hours. When you are ready, make an appointment with an academic advisor by calling the University Advising Center at **918-444-3253** or visit [Academic Advising](#) online.

TUTORING

Tutoring services are available to help you reach your full success while at NSU. We have tutoring centers on the Tahlequah and Broken Arrow campuses in areas such as communication, math, science, writing and more. Free 24/7 tutoring is also available online in almost any subject. See tutoring center details at the [Learning Assistance & Tutoring](#) page.

Campus Safety Resources

Title IX states that “no person in the United States, shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any Education program or activity receiving Federal financial assistance.” Northeastern State University (NSU) does not discriminate on the basis of race, color, sex, national or ethnic origin, religion, disability, age, veteran status, gender identity, gender expression or sexual orientation in its programs or activities. If any violation of this is witnessed, it needs to be reported. If it bothers you, it bothers us.

Please report:

- Acts of discrimination because of gender
- Unwelcomed sexual attention
- Punitive actions following a refusal to fulfill a sex-based request
- Sexual violence
- Sexual exploitation
- Intimate partner violence
- Stalking
- Gender-based bullying

Title IX incident reports can be filed by calling Whitney Arbaugh at **918-444-2120**, or on the NSU website at the following link: www.nsuok.edu/titleix.

COVID-19 UPDATES & PROTOCOLS

For the most up-to-date information regarding Covid-19 and NSU protocols, visit www.nsuok.edu/coronavirus.

Please note RiverHawk Response plans and processes will evolve as data drives our decision-making. Documents are fluid and subject to change based on local, state or national conditions or requirements. NSU is committed to the safety of its community, as well as the opportunity for lifelong learning.

BYSTANDER INTERVENTION

Your first semester of college could potentially be a risky time for you and your peers. But the good news is that there are many things you can do to mitigate that risk for yourself and others. By being an active and engaged bystander, you can either directly intervene by confronting the potential victim or the person you think is about to abuse, if you do not feel comfortable or safe intervening you can delegate the intervention to someone else, or you can simply do anything that distracts someone long enough to discontinue the abusive behavior. The most critical step, however, is recognizing the need to intervene in the first place. Don't be a passive bystander.

CAMPUS SAFETY

NSU's Violence Prevention Program is excited to continue some of their programming from last year, as well as introduce many new and inspiring events. This office is responsible for reducing the rates of interpersonal violence, sexual assault, and stalking within the campus community through prevention education and programming. Funding for the program is provided through a federal grant from the Office of Violence Against Women. Should you wish to get involved with the Violence Prevention Team, please reach out to the Violence Prevention Coordination.

Financial Information

The Answers to Common Financial FAQs:

- First-time loan borrowers must complete their online master promissory note and entrance counseling session at www.studentaid.gov before their loan will be disbursed to the school.
- Students must complete a FAFSA every year. You can complete the FAFSA Oct. 1 of each year at www.FAFSA.gov or using myStudentaid mobile app.
- The Office of Student Financial Services corresponds with all students via their NSU greenmail account, it's important that students check this account regularly.
- Any outside aid/resources that a student may receive, i.e. scholarships, grants, waivers etc... may affect the amount of aid you received through the Federal Student Aid programs. It's very important that you inform the Office of Student Financial Services of any outside resources you may be receiving.
- All award offer notifications initially sent to students are based on full-time enrollment status. If you are not full-time at the time of disbursement, your award offer will be decreased accordingly to correspond with your actual enrollment. (Note 12+ hours is considered full time for undergraduate students and 9+ hours is considered full time for graduate students).
- Students are required to continuously meet three general requirements to retain eligibility for federal student aid.
- Minimum cumulative GPA requirement (Undergraduates who earned less than 30 credit hours requires a 1.7 GPA, those who earned greater than 30 credit hours requires a 2.0 GPA) (Graduates must maintain a 3.0 GPA).
- All students must successfully complete 67 percent of all courses they attempt.
- All students must complete their degree within a timely manner (150% Rule).
- Please read the full [Satisfactory Academic Progress Policy](#) located on the NSU Student Financial Services website.
- Financial Aid is typically disbursed to students' NSU Bursar accounts during the third week of classes.
- Connect via social media to keep up with important financial aid deadlines: [Facebook.com - Northeastern State University - Student Financial Services](https://www.facebook.com/NortheasternStateUniversityStudentFinancialServices).

Financial Literacy (Avoiding Debt):

Steps to keeping student loan debt down

- Seek out scholarships
- www.oklahomamoneymatters.com
- Does your employer offer a tuition reimbursement program?
- Do your parents' employers offer a tuition reimbursement program?
- Many organizations have scholarship programs such as churches, tribes, veterans organizations, etc.
- Visit Financial Literacy – HawkCents for budgeting, credit, debt and savings information: www.nsuok.edu/hawkcents.

Financial Information

Budgeting 101 - Tips to make your refund last:

- Pay your rent for the semester in advance. Talk to your landlord about paying your rent for the entire semester and ask if they will give you a discount for doing so.
- Utility companies will also let you pay in advance and they will pay your bill from your credits each month until the funds are depleted. Take \$500 of your refund and credit your utility bill up front.
- Set aside a gas fund. Estimate how much per week you use in gas and purchase a gas card.
- Visit the NSU Financial Aid website for budgeting, credit, debt and savings information in the Money Matters section.

Payment Options:

Enrolled students with a balance over \$200 can pay for their semester as they go, dividing their balance into monthly payments. By enrolling you can avoid late charges and the registration hold!

There are three ways to make payments:

In person: NSU cashiers accept checks, cash and cashier's checks/money orders as payment tender.

Online: Online payments can be made with an electronic check or with a credit card (credit card includes a 2.85% convenience fee).

To do this:

- Log in to My Account through [goNSU](#)
- Click Make Payment
- Enter amount and click Continue
- Select Payment Method

By mail: Make sure to include student's NSU ID number on the check or money order.

These payments can also be made with NSU's payment plan options, which include:

- 5-month plan (payments due August, September, October, November and December 15th)
- 4-month plan (payments due September, October, November and December 15th)
- 3-month plan (payments due October, November and December 15th)

Available during
Spring 2021 only

NOTE: The 3-month plan is recommended for students receiving financial aid because it allows financial aid to be applied to their account before the first payment is due.

If you have any questions, please visit the Bursar Services office on the 1st floor of the Administration Building in Tahlequah or give them a call at **918-444-2160**.

Refund Process:

- To set up your refund method, log in to My Account through [goNSU](#), click on Refunds and select Direct Deposit. You will need your bank's routing number and your bank account number to complete this process. If a direct deposit account is not set up, a paper check will be mailed.

Or, visit Bursar Services on the 1st floor of the Administration Building or call at 918-444-2160.

Student Employment

Did you know there are many ways to work on campus throughout your time at NSU? These jobs include a variety of tasks and are conveniently located on the Tahlequah, Broken Arrow and Muskogee campuses. NSU posts jobs for on-campus work-study, on-campus institutional, graduate assistantships and off-campus job location and development. View and learn more about available [students jobs](#) by logging into your Handshake account and use the filter 'On-Campus.' For questions about your Handshake account contact Career Services at **918-444-3110** or email careerservices@nsuok.edu. Information regarding work-study and eligibility can be found by on their website Student Financial Services or by calling **918-444-3401**.

Talon Charge

All students are automatically opted in to the Talon Charge program. It allows students to charge books and school supplies from the RiverHawk Shoppe to their NSU account. Full-time students have an \$800 limit per semester (except for the summer: \$400) and part-time students have a \$400 limit per semester (except for the summer: \$200). Also, tax is charged on all Talon Charge purchases. The Talon Charge program for the Fall 2020 semester will open on July 29 and will close on Aug. 28.

Learn more about [Talon Charge](#) online or call the ID Services office at **918-444-2160**.

Textbooks

Students have the opportunity to buy or rent textbooks new, used or in digital format. Textbooks can be purchased at the RiverHawk Shoppe on either the Tahlequah or Broken Arrow campus. When you bring in your schedule, we will help you find your textbooks. RENT or BUY, the RiverHawk Shoppe will PRICE MATCH Amazon, bn.com and local competitors.

Students can also order their books at our [virtual bookstore](#).

Fill in your class information to find your textbooks, then have them shipped to one of the campuses or your house.

Learn more about [buying your books](#) on our site, or call Tahlequah campus bookstore: **918-444-2510**.

Broken Arrow campus bookstore: **918-449-6150**.

Class Schedule

Checking your class schedule: First, use your NSU ID and password to login to [goNSU](#). Then, click on the “Students” tab, find the “Registration Information” section and click “Concise Student Schedule.” You will be directed to a Group to select a term. Select the correct term, click submit, and your schedule will open.

ID Card

All students are required to have an NSU identification card. The card is essential for you to have during your entire NSU career. Cards can be used on campus for:

- Meals
- Access to campus buildings
- Entrance to NSU events
- And more

NOTE: University officials can ask for proper identification so have your NSU ID on you at all times.

Your ID also gives you access to purchasing books and supplies in the RiverHawk Shoppe and are free the first time you get yours made. Replacement cards are \$10. To receive an ID, go to the ID services desk on the Tahlequah campus (University Center) or the first floor of the Administration Building on the Broken Arrow Campus. For more information, call ID Services at **918-444-2577**.

RiverHawk Wellness

COMMON READ

In his new book on behavioral addiction, *Irresistible*, Adam Alter investigates what separates the irresistible from the forgettable. The answers draw from a broad range of case studies and research—from as far afield as the world of video game design and television script writing to app design and digital advertising. The answers apply broadly to all forms of business, from online and digital product development to consumer sales, packaged goods, services, politics, medicine and law. Why, for example, did Instagram succeed while Hipstamatic, a very similar earlier app, failed? Why do people play the lottery despite losing time and again and facing impossibly long odds? Should you release upbeat products when the economy is thriving or when times are tough? Alter answers these questions and more in a keynote that explains the sharp divide between the instant sensation and the forgotten disaster.

During their time at NSU, students explore and discover new intellectual, cultural and social opportunities that can help them make connections. All first-year freshmen participate in Common Read activities and assignments during UNIV 1003 University Strategies.

It is our hope that this book contributes to their academic journey!
