

Policy Regarding Theme Sensitivity

Proposed to NSU Greek Community on January 19, 2014

As undergraduate members of fraternal organizations, we will consider the following when choosing themes for social functions, philanthropic events, and community service activities.

1. The themes and items relating to them will not include any offensive phrases regarding race, gender, sexual orientation, lifestyle or nationality.
2. Any theme will not include demeaning images such as the illegal or irresponsible use or abuse of alcohol, tobacco or drugs.
3. The theme will avoid phrases that tarnish the image of the Greek Community, Which include but are not limited to: "Pimps and Ho's," "Pub Crawl," "Case Races," "Kegs and Eggs," "Bloody Mary Breakfast," "Tequila Sunrise."
4. We will remember the fact that we are not identifiable by our Greek letters alone, and that the absence of our letters from our theme is not reasonable in defending the theme itself.
