

## **NORTHEASTERN STATE UNIVERSITY**

Hello RiverHawks,

I am honored to serve as the President of the Northeastern Student Government Association for the 2024-2025 academic year! The Northeastern Student Government Association serves as a liaison between a diverse student body, the administration, and faculty of NSU. Through our advocacy, we empower and educate students to create change and strive to expand a culture of learning, discovery, and diversity across our three campuses.

As a member of NSGA, I have previously had the privilege to serve as the Vice President, Chief of Staff, and Freshman Senator representing the College of Education. All of these positions have offered me first-hand experience of the functioning of NSGA, the importance of cultivating a positive campus environment, and allowing a safe space for student growth. From these positions, I can personally attest to how moving student empowerment and encouragement can be and it is my mission to continue this trend in my new role as the President of NSGA.

As we all know, NSU is an institution of significance, history, tradition, and community. NSGA will work diligently to enact positive change on campus that will uphold this legacy, but also to continue growth on campus for future generations of students. Through embracing our differences, lifting one another up, and cultivating a welcoming atmosphere we have the power to allow each student to experience the NSU story that they aspire to have.

Finally, as your President, I assure you that I will work to preserve and protect the mission of NSGA, develop genuine connections, create an engaging and welcoming environment, and will always devote time to uplifting our University. However, it is my utmost responsibility to build upon NSGA's mission by working diligently to ensure that the vision and voice of all students are heard and valued; so if you need anything, please do not hesitate to contact me or any member of our organization, as we each hold a commitment to help and represent the student body of NSU. I look forward to an amazing year and cannot wait to see all that we are able to accomplish together.

Sincerely,

Bradon Bean

President of the Northeastern Student Government Association

Chief Executive of the Northeastern State University Student Body
