# Introduction

*NSU's history as an institution began when the Oklahoma legislature purchased the Cherokee National Female Seminary in 1909. In Fall 2023, 35% of NSU students identified as American Indian or Alaska Native.*

# Northeastern State University's Heritage

Back in 1846, Northeastern State University was founded as the Cherokee National Female Seminary. This historic link to the Cherokee Nation and Indian Territory make Northeastern the oldest institution of higher learning in Oklahoma. The original Seminary was built in Park Hill south of Tahlequah and destroyed by fire on Easter Sunday 1887. On May 7, 1889, the Cherokee National Female Seminary was dedicated north of Tahlequah, where it would continue to provide learning opportunities for young women for 20 years. Seminary Hall is now the historic centerpiece of Northeastern State, and each year on May 7, Descendants of Seminarians gather to observe Seminaries Homecoming in honor of our first students.

Our history as a state institution began on March 6, 1909, when the Oklahoma legislature purchased the Female Seminary and created Northeastern State Normal School, where the first classes were held on September 14, 1909. A decade later, NSNS transformed into Northeastern State Teacher's College, offering a four-year curriculum leading to a bachelor's degree. The Oklahoma legislature authorized changing the name of NSTC to Northeastern State College in 1939. In 1974, Northeastern State College became Northeastern Oklahoma State University, and we officially became known as Northeastern State University in 1985.

In celebration of 100 years as a state institution, and in tribute to Northeastern's shared heritage with the Cherokee Nation, Founders Day activities were held on March 6, 2009. The historic occasion was marked by the unveiling of the Sequoyah statue and dedication of Centennial Plaza.

Today we are Oklahoma's fourth-largest public four-year institution and one of six regional institutions governed by the Regional University System of Oklahoma board. The university serves a learning hub in northeastern Oklahoma formed by three campuses – the main campus in Tahlequah and branch campuses in Muskogee and Broken Arrow – which together have served an average of about 8,750 students annually for the past five years (*Source: IPEDS 12-month Enrollment surveys*).

# Faculty Association/Faculty Council

## Description

The NSU Faculty Council is the elected, representative body of the Northeastern State University Faculty Association. The Northeastern Faculty Association is an organization of the faculty designed to facilitate democratic participation in the development of institutional policies and further the pursuit of the University's mission and goals. This is accomplished through its elected representative - the Northeastern Faculty Council - serving as a liaison body between the faculty and the administration. The Northeastern Faculty Association is comprised of all full-time members of the faculty. The Northeastern Faculty Association is governed by its Constitution and Bylaws.

The officers of the Faculty Association are a President, Vice President, and Secretary-Treasurer. These officers also serve as the officers of the Faculty Council. All three officers are elected for two-year terms by the Faculty Association in elections held in April of odd-numbered years.

## Mission Statement

The mission of the Northeastern State University Faculty Council is to promote communication and cooperation among the faculty and between the faculty and the administration. The Council serves as the faculty's collective voice in shared governance in order to achieve excellence in the academic endeavors of the university. Toward this goal the Council seeks to enhance the university's pursuit and dissemination of knowledge by promoting and preserving academic freedom and integrity, encouraging creative inquiry, and recognizing scholarly achievement. The Council further serves to foster the professional development and economic well-being of the faculty.
