TIPS FOR SUCCESSFUL ONLINE SESSIONS

- Schedule an appointment for an online session

- Sessions are only 30 minutes long, so schedule 2 appointments back-to-back, if necessary

- Provide several questions for the tutor to answer

- Don't wait until the last minute! Even though online tutoring is 24/7, a tutor may not be available immediately

- Submit written assignments to more than one area (i.e. grammar, documentation, content, etc.)
