On October 14, 2021 HEERF II funds of \$3,097,700 were distributed as emergency cash grants to NSU students with exceptional financial need based on the following eligibility guidelines:

- All students actively enrolled as of September 3, 2021, in at least three credit hours (based on billing hours)
- Students taking class(es) in audit mode only who do pay tuition
- Students who are not taking courses concurrently while still in high school
- United States citizens and documented permanent residents

To determine greatest need, eligible students were divided into four groups based on Expected Family Contribution (EFC) cut-off for Pell eligibility for undergraduate students from their 2021-2022 Free Application for Federal Student Aid (FAFSA):

- Part-time - EFC Greater than \$5845
- Part-time - Less than or Equal to \$5845
- Full-time - EFC Greater than \$5845
- Full-time - Less than or Equal to \$5845.

A total of 6,757 students were eligible to receive a disbursement. Of that total, 4,986 indicated exceptional need for funds and would agree to use the funds as intended, 4,197 students authorized funds to pay towards their NSU accounts receivable balance.

Students grouped in the Full-time - Less than or Equal to \$5845 were determined to have the greatest need and received the disbursement as detailed below. Any eligible students without a 2021-2022 FAFSA EFC amount, were included in the EFC Greater than \$5845 group.
