"IT'S ME, YOUR MENTEE AGAIN"

By: Ursula Stephens

I have the honor to be part of the TRIO family at Northeastern State University in Tahlequah, Oklahoma. There is a program called The Student Support Services Mentor and Mentee program. What is a Mentor? A mentor is someone who is there for you and to support students. They help students along the way when the path is overwhelming and emotional.

I have the honor to be a mentee. My mentor is Michael and he helped me through my time here at college. I am so thankful that the Lord placed him in my life. Michael listens to my concerns. He encourages me on academic subjects and he helps me with my concerns. He is very helpful and kind towards not just me but all students.

The mentoring program has been a blessing to me. I have been part of the mentoring program and being a mentee for about a year and a half... It taught me how to be a stronger person and my mentor taught me how to become a mentor to the younger generation that is coming into this world. To say the least, the mentor program at NSU has been nothing but a blessing. I would highly recommend it to other students.

Thank you Michael for being my mentor. Thank you for everything you have done to help me be successful.
