MEET JADE HANSEN

Hey all! My name is Jade Hansen and I am the new tutoring & careers coordinator for TRIO SSS! I am so happy to be joining the SSS family, I have previously worked in TRIO and have come full circle to continue working with the amazing students we serve. My hometown is Salina, Oklahoma and I am an alum of NSU. I have a wonderful fiancé named Justin, and am a bonus mom to three awesome boys. I am a dog person, and have three crazy loving dogs. Within the next year I plan to finish my doctoral degree from the University of Arkansas, so like you all, I go to school full-time. If I am not working or doing school work you can find me with my church family where I sing in our worship band, out on the lake catching a tan and fish, at the creek, or hanging with my family. I look forward to a great semester and happy to meet our SSS students, be sure to swing by so I can meet you!

DALLAS CULTURAL REWARDS TRIP

Students meeting the GPA and participation requirements were offered the chance to attend a special summer cultural trip. We had a lot of fun together while visiting the Perot Museum, Dallas Zoo, Sixth Floor Museum & Dealy Plaza, and Buc-ee's! Keep checking back to see where we are going next summer!
