TRIO SSS Mentoring Program Halloween Party

Our mentoring program is designed to match incoming freshmen and sophomores with an upperclassman student who will take on the role as their mentor. These mentors provide our students with guidance and support while they are in their first two years of school.

A big thank you to our instructor, Fooli Sells! PAINT COUTURAL Norkshop

Our event fostered critical thinking skills and allowed each student to create unique works of art. It also taught our students how to process the information on paint artistry differently than they would have in a lecture setting.

This cultural workshop enabled students to get to know each other in a stress-free environment, further enhancing their experience while in college.

Help Slow the Spread of COVID-19

There is a lot that we as individuals can do to help slow the spread of the COVID-19 variants.

- Wash your hands often
- Avoid close contact with others
- · Avoid touching your eyes, nose, and mouth
- Cover your cough or sneezes
- Stay home if you are running a fever or feel sick
- · Maintain a social distance of six feet where feasible
- Get tested if you come into contact with a positive case

Together we can keep each other safe! Thank you for doing your part!
