### Student Spotlight

## Jenni McClanahan

Hello, my name is Jenni McClanahan. I'm from Tulsa, OK, and I am a first-generation college student. I am the oldest of six, with five younger sisters. When I was a sophomore in high school I was diagnosed with a heart condition and had a Heart Ablation in August of 2018. I graduated high school in May of 2018 and started college that August. I'm currently a Junior, dual majoring in Mathematics Education. I recently had Covid-19 in November. My favorite color is pink and my favorite thing about me is my love for Batman. I own over 200 different batman memorabilia. I joined TRIO in 2018 and enjoy going to events with the TRIO family. Beginning in the fall of 2020 I became a Tutor and Mentor here at TRIO. I am currently the Vice President of First-Generation Student Organization (FGSO). I have been a part of FGSO for three years as the Chair of Fundraising for one year and the VP for two years. I would like to run for President in May. I plan to graduate in December of 2022 with the help of TRIO. After I graduate, I would like to be a Middle school Math teacher here in Oklahoma.
